Work Experience

M2 Research Intern Muséum national d'Histoire naturelle Paris <i>Dr. Adrienne Kish</i>	2022-2023
Scientific assistant Institute of Hygiene and Global Health (IHPH) Bonn <i>Prof. Dr. Thomas Kistemann and Dr. Nicole Zacharias</i>	2021 – 2022
Research intern and scientific assistant AG Soppa, Goethe University Frankfurt a.M. <i>Prof. Dr. Jörg Soppa</i>	2020
Mentor at Bioprime, FB10 TU-Darmstadt <i>Dr. Vera Bandmann, M. Sc. Michael Sürder</i>	2018 – 2020
Internship at Geisenheim University Center for analytical chemistry and microbiology	2017
Internship at Michael Birk Veranstaltungslogistik	2016

Education

Rheinische Friedrich Wilhelm-Universität Bonn Master program: Microbiology	2020 – 2023
Technische Universität Darmstadt Biology, Bachelor of Science	2017 – 2020
Rheingaugymnasium, Geisenheim Intensified courses: biology and chemistry	2009 – 2017

Biological competences

Epifluorescence and confocal microscopy

UV/Vis Spectrophotometry

Fiji (ImageJ) for image analyses

Genetic engineering of *E. coli* and Knowledge in the fields of astobiology and fluorophores as biological markers

Languages

German (native)

English (very good command)

French (good command)

Various

Elected member of the student's council Biology at TU Darmstadt **2018-2020**

Deputy chair of the student's council Biology at Bonn University **2021-2022**

Climber
